

■ **Happy Dragon Year !**

■ Vivablast would like to inform our Customers and Suppliers that our Company will be closed from Wednesday 18 January 2012 evening during the Vietnam National Tet Holidays. We will resume our Company operations on Monday 30 January 2012. We look forward to achieving the best results and performance for our Customers in the New Year of the Dragon !

■ **Training our People**

■ Vivablast Operations Team has scheduled an **intensive training program** to prepare our major 2012 Projects and to build up the skills of our most important Assets: our People. Our new Technicians & Supervisors will receive trainings & qualification certificates for:

- Intumescent fireproofing systems applications
- Thermal spray coating equipments operations
- Spray-on insulation systems applications
- BS scaffolding operations

■ **Our shipbuilding projects**

■ Vietnam Major Shipbuilders **SEAS** and **Strategic Marine Vietnam** are delivered safely by Vivablast with professional blasting & all types of coating application, insulation & BS scaffolding services. At X51 Shipyard, Vivablast executes simultaneously two Projects of deep freezer tuna fishing boats to complete as per SEAS schedule. Following on-time delivery of a first Barge, Vivablast is ready to re-start next month its blasting & painting works at SMV Yard.

■ **New Projects in 2012**

■ **EVN Phu My Power Plant Company:** Cooling water piping internal blasting & coating
 - **PTSC OS - Petronas Project:** Shop blasting & painting
 - **PTSC MC - Bien Dong 1 Project:** Passive fire protection & thermal spray coatings
 - **Nestle - Route 66 Tri An Factory Project:** Extraction Building piping hot & cold insulation
 - **DP Consulting - VINCOM VILLA Project:** Gensets Room acoustic spray-on insulation
