VIVABLAST
INDUSTRIAL ASSETS LIFE SOLUTIONS

■ About us

Vivablast is a global industrial assets life solutions provider operating in Vietnam and its neighboring countries. For more than 15 years, we have been servicing industry leaders in major regional industrial projects from construction phase to maintenance programs. Our vertical expertise includes all industry sectors and particularly oil & gas, power & utilities, marine and manufacturing industries.

■ Our mission

We design and deliver professional services to preserve our Clients' assets sustainably. Our mission is to secure, protect, maintain and sustain industrial assets through efficient and reliable specialty services and integrated solutions.

■ Our vision

Our vision is to be the most preferred and trustful solutions provider for industrial assets preservation. As a leading industrial services provider operating for more than 15 years from Vietnam, we have already played an active role into the sustainable industrial development of Vietnam and we will continue. As a responsible corporate citizen, we promote safety and ethics in our working and business environments.

■ Preserving your assets

■ Anytime

from construction phase to maintenance programs, shutdowns and outages, we assess, design and execute the right technical solutions, maximizing industrial assets life.

■ Everywhere

from our base in Vietnam, we operate onshore and offshore in South-East Asia supporting our Customers where ever they invest.

■ Everyday

driven by our values and code of business conduct, we deliver results-oriented services daily, valuing long-term vision and fair partnerships.

■ Our value

■ Safety

Our Teams deliver performance in challenging working conditions. Since protecting their life is our top priority, we enforce HSE international standards through regular trainings.

■ Sustainability

Our solutions are designed for long-term performance. We strive to respect the environment in everything we do.

■ Ethics

We believe business cannot be done sustainably without committing rules of engagement. We do business through transparency, loyalty and integrity for the benefit of all Stakeholders of our projects.

■ Results

Results oriented, we challenge ourselves everyday to meet our Customers' expectations.

■ Reliability

Managed by experienced Expatriates and Vietnamese, our professional Teams are trained to deliver professional asset life solutions. We care for quality in everything we do.

■ Passion

We serve our Customers with passion and enthusiasm, valuing spirit of entrepreneurship motivating our Teams since Vivablast's foundation.

■ VIVABLAST QUICK FACTS

Founded in 1994

100% foreign owned Company

Accredited ISO 9001:2008 and OSHAS 18001:2007

Headquartered in Ho Chi Minh City, Vietnam

3 blasting & painting factories (HCMC, Vung Tau, Vung Ang)

Remote site capabilities in Vietnam and surrounding countries

French and Vietnamese management

Client portfolio from regional to worldwide industry leaders

Industrial expertise : oil & gas, power & utilities, marine, manufacturing and other industries

■ Oil & Gas (onshore)

Dinh Co

VIETSOVPETRO

- > DK1/14 Project (2011)
 - Blasting and painting of 500 tons of structural steel
- > Bien Dong 1 Project (2011)
 - Thermal spray aluminum coating works for 2000m² for the Moc Tinh Flare Boom

PTSC M&C

- > Bien Dong 1 Project (2011)
 - Vessel internal lining at Vivablast Vung Tau Workshop
 - Surface preparation & internal lining with Belzona products
- > Topaz Development Project (2010)
 - Beam Topside Firewall passive fire protection with Chartek 8 at PTSC M&C site (requirement of H-50 fire rating)
- > Su Tu Den Project – Risers (2009)
 - Blasting SA 3, thermal spray aluminum (arc & flame spray) & high temperature resistant coating sealer at Vivablast HCMC Workshop
- > Su Tu Vang Project – Flare Boom (2007 – 2008)
 - Blasting SA 3, thermal spray aluminum (arc & flame spray) & high temperature resistant coating sealer at PTSC M&C Site

VIETSOVPETRO

TECHNIP - JGC - TR CONSORTIUM

- > Dung Quat Refinery Shutdown (2011)
 - Surface preparation & internal lining treatment with Belzona 1591
- > Dung Quat Refinery Project (2006 - 2009)
 - Mobilization, erection & operation of Vivablast Centralized Painting Workshop – 250,000 m² of steel structures & piping
 - Hot and acoustic insulation of 140 km of piping and 40,000 m² of equipments (including boilers)
 - 35,000 m³ of BS scaffolding towers, cantilevers or hangings
 - Internal and external lining of demineralized water tanks and sea-water intech pipeline
 - General cosmetic coating before handover to final client

PTSC M&C

AIR LIQUIDE VIETNAM

- > Nationwide Plants Maintenance Project: BS Scaffolding & protective coating maintenance (2010-2011)
 - SHTP Plant
 - Phu My Plant
 - Bac Ninh & Yen Phong Plant
 - Gas cylinders coating maintenance (VB Workshop – Vung Tau)

SSCV

- > Phu My Plant (2011)
 - 4,500 m³ of BS scaffolds for protective coating maintenance

FOSTER WHEELER

- > Vinakraft Boiler Shutdown (2010)
 - Sampling tube cutting, welding & X-ray inspection – BS scaffolding

Phu My Plant

POS

- > KNOC Air Cooler Project (2010)
 - Steel structures blasting & coating (2010)

CR ASIA

- > Dung Quat Refinery (2010)
 - Crude oil tank internal cleaning & coating maintenance (2010)

TECHNIP ITALY PEB - SAMSUNG

- > Phu My Fertilizer Construction Project (2003)
 - Steel structures blasting & coating

DQR

BP - MAC CONNELL DOWELL

- > Dinh Co Nam Con Son Gas Project (2001 – 2002)
 - Chartek 4 application (slug catcher)
 - Cafco fendolite Mill (pipe rack)
 - Surface preparation and coatings application for spools, equipments, pipe racks, and tank lining (int. & ext), fireproofing / TSA
 - Hot insulation of 60km of piping & 10,000m² of equipments (Ulva & Armacell)

SHELL

- > Bitumen & Chemical Go Dau Terminal Project (1999-2000)
 - Various surface preparation & painting works

Oil & Gas (offshore)

TRANSOCEAN

- > Galveston Key Rig (since 2011)
 - UHP water-jetting, coating maintenance, insulation, rope access, BS scaffolding (since 2011)

DIAMOND OFFSHORE

- > Ocean General Rig (since 2010)
 - UHP water-jetting, coating maintenance, BS scaffolding (since 2010)

JPVC

- > CPC Platform Maintenance (since 2005)
 - Offshore cleaning, blasting, painting & BS scaffolding

MODEC

- > MV19 (2006-2009)
 - Thermal insulation maintenance

KNOC

- > Rong Doi Platform (2008)
 - Thermal insulation maintenance

BP

- > Lan tay Platform maintenance project (2003)
 - Offshore thermal insulation

Shipbuilding

SEAS

- > Vivablast Integrated Shipbuilding Solutions (since 2007)
- > 92m Tuna Senneur Deep Freezer Fishing Boats & Skiff Boats
- > 18m/26m Bullet-Proof Surfers (aluminum hull) & Speed Boats
 - Surface preparation (all types)
 - HP/UHP water jetting (up to 36,000 PSI)
 - Marine & protective coatings application
 - Deck coating
 - Floor coating & PVC tiling
 - Spray guard coating
 - Carpentry
 - Polyester coatings
 - PU foaming (injection/spray/pouring)
 - Spray on & conventional insulation
 - BS scaffolding access
 - Rope access
 - Cherry pickers access

BOPP

- Tuna Superfreezer boat painting (2010)

PAUMIER

- Tuna Superfreezer boat equipments fabrication & insulation (2010)

SEMCO MARITIME

- Offshore living quarters painting & insulation (2010)

STRATEGIC MARINE

- Blasting, painting (2010)

DUNG QUAT SHIPYARD

- Blasting & shop primer application project (2007)

STX

- > Supply Boats Vessels (since 2005)
 - Casing & piping insulation
 - Blasting & painting

■ Power Generation (constructions projects)

TORISHIMA & LILAMA 18 JSC CONSORTIUM

- > Nhon Trach 2 CCPP (2010 - 2011)
 - Main Cooling Water Piping internal & external lining (2010)
 - Internal lining of filter water storage tanks, demineralised water tanks and one potable water tank
- > Vung Ang 1 TPP: Design, mobilization and erection of blasting & painting factory at Site (2010 - 2011)
 - Main Cooling Water Piping internal & external lining
 - Supply, installation supervision, and commissioning of cathodic protection system

SIEMENS AG - DOOSAN - SEONGHWA - LILAMA 45.1 - CHIEN THANG ENGINEERING

- > Nhon Trach 2 CCPP
 - Main BS Scaffolding support Subcontractor (2010-2011)
 - Rope access

SAMPYUNG

- > Nhon Trach 2 CCPP - HRSG (2010-2011)
 - BS scaffolding
 - Blasting & painting
 - Thermal insulation: 11km of piping & 3,000 m2 of equipments (stacks, casing, ducts, drums)

POSLILAMA

- > Steel structures blasting and coating projects (2008)
 - Camau 1 PP
 - Camau 2 PP

HAZAMA - BTC - LILAMA

- > Nhon Trach 1 PP (2008)
 - Main Cooling Water Piping internal & external lining (2008)
- > Phu My 2.1 PP (2003 - 2004)
 - Main Cooling Water Piping internal & external lining

SIEMENS VIETNAM LTD

- > Phu My 3 PP (2005)
 - Blasting & coating of electrical equipments & structures

LEIGHTON

- > Rack cable fireproofing project (2004-2005)
 - Ablative coating KBS

STONE & WEBSTER - HUYNDAI MOBIS

- > Pha Lai 2 PP (2002 - 2004)
 - Blasting & coating of cladding, equipments & buildings
 - Turbine blasting (Sumitomo)

MHI

- > Mitsubishi Heavy Industries Project
 - Painting of pipe supports & buildings (1999)

VINCI GP

- > Various painting works:
 - Phu My 2 PP
 - Ca Mau 1 PP
 - Ca Mau 2 PP

■ Power generation (maintenance projects)

MEKONG ENERGY

- > Phu My 2.1 PP
 - Daily maintenance, shutdowns and outages: painting, insulation, BS scaffolding, cleaning (since 2005)
 - More than 100 tons of BS scaffolding material mobilized every year for shutdowns
 - Gas station cold insulation (2011)
 - Floor coating (2010)
 - Floor hardener (2005)

SIEMENS VIETNAM LTD

- > Ca Mau 1 Power Plant Shutdown (since 2007)
 - BS scaffolding, insulation
 - GT OEM insulation – full scope (since 2011)
- > Phu My 3 BOT Power Plant Shutdowns (since 2009)
 - BS scaffolding, insulation

GE

- > Phu My 2.2 PP Shutdown (2010)
 - Turbines & diaphragms blasting, cleaning, BS scaffolding

■ Manufacturing

ODIM - ROLLS ROYCE MARINE

- > Vivablast Branch & Site Factory - Dong Xuyen Industrial Zone – Vung Tau City (since 2009)
 - Blasting, coating & thermal spray coatings as per Norsok Standard M-501 for cable winches, ABAS KDE cranes & other heavy-duty marine equipments

CARGILL

- > Bien Hoa 2 Factory:
 - High pressure water cleaning, painting works, logo coating, cladding replacement, rope access (2011)
 - Floor coating (2005)

SEMCO Maritime

- > Offshore container accommodation projects (since 2010)
 - Blasting SA 2.5 (in & out) & full coating system as per specification for offshore – corrosivity category C5M High system

TAISEI - VINATA

- > Jica Polyvac Factory Hanoi Project (2011)
 - Freezer Rooms Floor Coating

COMMON GROUND RESOURCES

- Container waste water project: blasting, coating, fabrication and anti-corrosion services (2011)

ATLAS COPCO

- Coating maintenance (2010)

CAO DUONG

- Blasting & painting (2010)

NAM VIET - THANH CONG SCALE - QUANG TRUNG MECHANICAL - TRUONG VINH

- Blasting & painting (2010)

J&V ENGINEERING - REE - STAR ENGINEERING

- Blasting & Painting (2010)

SAMSUNG

- > Intel Factory:
 - Steel structures blasting & coating (2009),
 - Factory roof waterproofing: 25,000m² (2008 - 2009)

SIEMENS VAI

- > LIPEZK CC8 Project Duct
 - Blasting & coating 1600 - 1800T (2008)

URC VIETNAM

- Floor coating (2008)

WARING TRADING

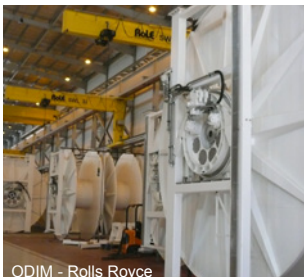

- Floor repairs & coating: 2,250m² (2008)

NESTLE VIETNAM

- > La Vie Long An and other factories
 - Epoxy floor coating (2006)
 - Epoxy self-leveling floor coating & floor renovation (2005)
 - Building waterproofing (2001)
 - Walls, structures, supports & building coating (1994 – 2000)

FANNY VN

- Plant waterproofing: 2,500m² (2005)
- Floor coating 500m² (2005)

DUTCH LADY

- Tank waterproofing (2005)
- Chemical resistant floor coating (2005)

DSM NUTRI PRODUCTION

- Floor coating: 4,000m² (2005)

VISIPAK

- Floor coating: 2,000m² (2005)

BLUESCOPE STEEL

- > Phu My Cold Rolling Mill Project (2004)
 - Equipments, sheet cladding, metal doors & frames surfaces surface preparation & coating

ZAMIL STEEL

- Steel structures blasting & coating for numerous large projects (since 1999)

HEINEKEN

- > Ha Tay Brewery (1997)
 - Various painting works

UNILEVER

- > Unilever Hanoi Factory (1996)
 - Various painting works

■ **Infrastructures**

Menard SNC Vietnam

ORIENTAL SHEET PILING VIETNAM

- > Cai Lan International Container Terminal – Marine Works (2011)
 - OZ20A sheet piling cutting, blasting and coating application

MENARD SNC VIETNAM

- > Gemalink Container Terminal Project (2011)
 - Supply, laying & welding of 40,000m² of PEHD membrane

CK 3 CHEC

- > Saigon International Terminals Vietnam (2008)
 - Steel sheet piles blasting & coating

HUYNDAI MOBIS

- > Thu Duc Water Plant (2006)
 - Internal & external lining of main potable water pipeline

POLILAMA

- > Cambodia Bridge Project (2006)
 - Structures & block blasting & coating

USF Japan Bridge

■ **Commercial buildings**

METRO INDIA

- Mumbai Metro Project: floor coating: 2000m² & dry shake hardener: 8000m² (2007)

METRO VN

- > Ha Noi 2 Metro Project: floor coating: 2000m² & dry shake hardener: 8000m² (2007)
- > Hiep Phuoc Metro Project: floor coating: 2000m² & dry shake hardener: 8000m² (2006)
- > Da Nang Metro Project: floor coating: 2000m² & dry shake hardener: 8000m² (2005)
- > Hai Phong Metro Project: floor coating: 2000m² & dry shake hardener: 8000m² (2005)
- > Can Tho Metro Project: floor coating: 2000m² & dry shake hardener: 8000m² (2004)

La Vie

NEW WORLD HOTEL

- Fridge foam panel insulaion project: 90m² (2005)
- Floor leveling: 200m² (2006)

SOFITEL PLAZA

- Piping & exhaust piping insulation project: 200 lm (2003)

GOLDEN LODGE RESORT

- Various surface preparation & coating works for external & internal walls & ceilings, floors, woodworks, etc. (1996)

DAEHA BUSINESS CENTER

- Various surface preparation & coating works for external & internal walls & ceilings, floors, skirtings & metal works (1996)

METROPOLE HOTEL

- Various surface preparation & coating works for external & internal walls & ceilings, floors, wallpapers (1996)

DAEWOO HOTEL

- Various surface preparation & coating works for external & internal walls & ceilings, floors, wallpapers (1995)

Metro

■ **Cement**

HOLCIM

- > Holcim Trucks cleaning, blasting, coating, logo marking & BS scaffolding (2010)
- > Holcim Cat Lai Plant
 - Jetty piles coating above & underwater level + fenders (scaffolding / blasting / coating)
 - Loader & piping coating full length (scaffolding / blasting / coating)
 - Steel structures tower + some equipments refurbishment (scaffolding / blasting / coating)
 - High level platform & cladding refurbishment between 2 silos (scaffolding / blasting / coating)
- > Holcim Thi Vai Plant
 - Touch-up & full cosmetic coat of conveyors steel structures due to failure of main contractor
 - Equipments coating such as hoppers high temperature coating (scaffolding / blasting / coating)
 - Floor coating (hydro-water jetting / blasting / coating)
 - Fireproofing barrier for electrical cable (several locations)
- > Holcim Hon Chong Plant
 - Preheater tower coating (scaffolding / blasting / coating)
 - Jetty piles coating above & underwater level + fenders (scaffolding / blasting / coating)
 - Loader, conveyors, steel structures buildings & cladding coating (scaffolding / blasting / coating)
 - Logo refurbishment & coating

Holcim

LAFARGE

- Wet blasting, UHP, coating of crane loader & conveyors (2008 - 2009)

TECHNIP

- > But Son Cement Plant (1998)
 - Equipment & steel structures blasting & coating

Lafarge
