

■ Our oil & gas projects

Vietsovetro construction yard

■ Following Vivablast strong performance for the Su Tu Den and Su Tu Vang Projects in 2008 and 2009, Vivablast is currently executing 2,000 m² of Thermal Spray Aluminum coating works required for the Moc Tinh Flare Boom (Bien Dong 1 Project), as Subcontractor of **Vietsovetro** Company at their Vung Tau Workshop. Our professional TSA coating services are delivered on time, on budget and safely.

Vung Tau Factory

■ Vivablast has performed the surface preparation and internal lining treatment with Belzona 1391 of the Vessel HT1-T-5610 for the Bien Dong 1 Project, on behalf of **PTSC M&C**. Vivablast modern blasting & painting Workshop is also mobilized by Rolls Royce for their ARF Cranes manufacturing process. Vivablast delivers all types of coatings application services in compliance with our Customers' standards for all their Projects.

■ Our shipbuilding projects

SEAS Nha Be

■ Vivablast has been appointed by **SEAS** for the execution of the deck revamping and repair works of the Hirundo Barge Project. Besides, our on-going Tuna Senneur Deep Freezer Fishing Vessel and bullet-proof Surfers Projects for **SEAS** at Nha Be and Long An Shipyards demand highly intensive resources to meet deadlines and quality standards set. Our deep expertise of shipbuilding is proven every day.

■ Our other projects

Binh Chieu Factory

■ At Vivablast Workshop in Ho Chi Minh City, our professional steel structures blasting and coating services have been delivered for the **Universal Steel Fabrication Vina-Japan's** Bridge ODA Project. As well, **Oriental Sheet Piling Vietnam** has sent to our blasting & painting Workshop all the sheet piles required for their Cai Lan International Container Terminal Project. Vivablast delivers for all industrial challenges.
