

VIVABLAST
INDUSTRIAL ASSETS LIFE SOLUTIONS

INVITATION FOR VIVABLAST ROPE ACCESS WORKSHOP

Our professional rope access services are now available in Vietnam !

We are pleased to invite you to attend our rope access workshop on Friday 5 November at 10:30 am at Vivablast Site Factory & Office:
Street 11, Dong Xuyen IZ, Rach Dua ward, Vung Tau city.

Our Rope Access Manager will present you first:

- What is rope access?
- What are the rope access equipments?
- Who does rope access at Vivablast?
- HSE rules / procedures for rope access activities
- Comparison scaffolding / rope access

Then, our multi-skilled Rope Access Technicians will execute:

- NDT inspections
- Wet blasting
- Coating application
- QA/QC coating readings

Mr Cedric Deguilhem - Vivablast Rope Access Manager will lead the workshop to provide you with a detailed technical presentation of rope access method and will manage the safe and professional execution of our maintenance services by our rope access Technicians.

Please confirm your attendance at vivablast@vivablast.com
We look forward to meeting you soon
