

■ VIVABLAST OIL & GAS PROJECT

■ Vivablast skilled technicians have performed Thermal Sprayed Aluminum coating for jackets structure in a major Oil & Gas project in Vung Tau. Vivablast team performed intense production to meet the project's tight schedule while ensuring strict safety compliance.

■ VIVABLAST WORKSHOP PROJECT

■ Vivablast Thailand has carried out on-time HP water cleaning, surface treatment and corrosion protection for pipes & fittings belonging to a major Thai Power Generation & Petrochemical Company.

■ VIVABLAST OIL & GAS PROJECT

■ Vivablast professionals executed BS standard drop scaffolding work at an Oil & Gas project in North Vietnam. This kind of scaffolding is erected for challengeable access locations which requires proper working platform in full HSE compliance.

■ VIETNAMESE TRADITIONAL EVENTS

■ On occasion of Vietnamese Mother's Day (**VU LAN festival**), our General Manager made worship ceremony wishing all Vivablast team & families happiness, health and prosperous year upon this traditional event.

**The sweetest sounds to mortals given
Are heard in Mother, Home and Heaven.
~ William Goldsmith Brown.**
